Precision Parts and Remanufacturing

"PPR is committed to consistently deliver high quality remanufactured products, on time, and accurately, through a team dedicated to continual improvement."

JUNE IS SAFETY MONTH!!!

This Month PPR will be focusing on Safety and how each of **US** can play our role in ensuring safety is a priority.

There are many ways WE can do our part in Safety:

- Inform supervisors of unsafe conditions
- Use Equipment, Machines and Tools Properly
- Wear Proper PPE
- Keep areas clean and organized
- Make Regular Inspections
- Keep Work Areas and Emergency Exits Clear.
- If unsure ASK
- Don't take shortcuts
- Dress for the job
- Maintain proper posture
- Offer guidance to new employees
- Maintain personal hygiene
